

Stencil Cabinets

VectorGuard™

Intelligent Storage Systems

Reduce overheads at your workplace with DEK Solution

Stencils are a valuable commodity. Storing stencils correctly will protect, your investment and prolong their usable life and make them easier to access. For this reason, DEK has now developed a range of special stencil cabinets (Solution 1 to 3).

We have designed a mobile working station (Solution 4) in order to further increase productivity on your production line.

Use these security and organisation packages for your production. Quick and easy to order.

- **Increase life expectancy**
Save on overheads
- **Retrieve items quickly**
Save valuable time
- **Mobile at the production line**
Speed up your production
- **Intelligent storage systems**
Optimise workflows and save valuable space

Solution 3

Mobile Cabinet

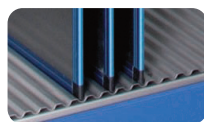

Secure and mobile for 50 stencils

Multi-purpose and flexible. The height is individually adjustable, for stencils of all sizes.

Retrieve items more quickly and save space - all tools and consumables.

Special stainless steel runner for guiding stencils safely, includes numbering system in order to retrieve items quickly.

Solution 1

VectorGuard™ Cabinet

Optimum protection for your high-quality stencils

Solution 4

VectorGuard™ Working Station

Everything to hand on the production line

Solution 2

VectorGuard™ Tower Cabinet

100 stencils in all sizes
